**HELP COLORADO CRANE CONSERVATION
COALITION WELCOME HOME
OUR GREATER SANDHILL CRANES!**

**The return migration of the Greater Sandhill Cranes has begun.
We can expect the first arrivals here in the Yampa Valley sometime
during the first or second week of March.**

**Be the first to spot a Greater Sandhill Crane in your area of the Yampa Valley!
Document your sighting with a photo or video and send it to coloradocranes@gmail.com.
Be sure to include your name and snail mail address,
plus the date, time and location of the sighting. A prize will be awarded to each individual
with the photo or video of the earliest sighting in**

**West Routt, North Routt, South Routt, Steamboat Springs, Craig and West Moffat.
A grand prize will be given for the overall earliest sighting in the entire Yampa Valley.**

In early April, winners will be notified & contest results posted at www.coloradocranes.org.

**The 9th annual Yampa Valley Crane Festival is
September 3-6 in Steamboat Springs and Hayden,
with daily crane viewings, expert speakers, films, crane art,
workshops, family activities, school programs & more.**
