

Internet Privacy Policy

The Colorado Crane Conservation Coalition, Inc. (CCCC) is pleased to provide information about its online privacy policy. Please be assured that CCCC uses its best efforts to protect the privacy of visitors to this website.

Types of Information We Collect and How It Is Used

CCCC only gathers personal information such as first and last names, home addresses, email addresses and credit card numbers, when voluntarily submitted by you. If you make an online donation, personal information will be collected from you in order to process that donation.

With your permission, we will use personal information collected from you to send you periodic informational emails. You can unsubscribe from these emails at any time.

Sharing of Personal Information

Companies may be engaged by CCCC to perform a variety of functions such as assisting with donation processing, processing registration payments, or providing technical services for our website. These companies may have access to personal information if needed to perform such functions. However, these companies may only use such personal information for the purpose of performing that function and may not use it for any other purpose. Other than as provided in this privacy policy, CCCC does not sell, transfer or disclose personal information to third parties.

CCCC reserves the right to use or disclose any information as needed to satisfy any law, regulation or legal request, to protect the integrity of the site, to fulfill your requests, or to cooperate in any law enforcement investigation or an investigation on a matter of public safety.

Access

You are in control of any personal information you provide to us online. If at any time you would like to correct the personal information we have about you or if you would like to change your preferences for contacts from us, you can let us know by contacting us at the postal or email address listed below.

Cookies

“Cookies” are pieces of information that a website transfers to an individual’s hard drive for record-keeping purposes. They are nothing like the delicious crane cookies that we serve during the Yampa Valley Crane Festival!

We use Google Analytics to track the total number of visitors to our site on an anonymous aggregate basis.

Use the options in your web browser if you do not wish to receive a cookie or if you wish to set your browser to notify you when you receive a cookie. Click on the “ Help” section of your browser to learn how to change your cookie preferences.

Links to Other Sites

We may offer links to sites that are not operated by CCCC. If you visit one of these linked sites, you should review their privacy and other policies. We are not responsible for the policies and practices of other companies.

Changes to our Privacy Policy

This privacy policy is effective as of June 13, 2018. From time to time, it may be necessary for CCCC to change this privacy policy, so we suggest that you check here periodically. Rest assured, however, that any changes will not be retroactively applied and will not alter how we handle previously collected information.
